

BEN WILLIAMS

McKinney, TX | (214) 310-0235 | bawtx2005@gmail.com

EDUCATION

Texas A&M University, Mays Business School
Bachelor of Business Administration in Finance
Cumulative GPA: 3.31

College Station, TX
Expected August 2027

EXPERIENCE

Ucardia | Heart Health Software

B2C Strategy Lead, Intern

Remote

Apr 2026 - Present

- Promoted from market research intern to lead B2C creator partnerships, taking the program from market analysis through pricing, stakeholder approval, and outreach launch.
- Set program unit economics across list pricing, promotional discounts, and creator commissions; aligned product and partnerships stakeholders on the model before launch.
- Developed competitor analysis, pitch decks, and outreach sequences used to recruit creator partners.

Watters Creek Wealth Management

Finance Intern

Allen, TX

May 2024 - Aug 2025

- Built equity, ETF, and fixed-income model portfolios matched to clients' risk tolerance and time horizons.
- Prepared reviews for 50+ households, translating portfolio performance into clear, client-facing summaries.
- Modeled current-year tax figures for an advisor's presentation on a multigenerational dynasty trust.

Metroplex Detailing

Founder and Operator

North Dallas, TX

May 2022 - Present

- Founded and operate a mobile detailing business servicing 2-4 vehicles per week; manage pricing, margins, invoicing, quarterly taxes, and supply inventory.

Preston Trail Golf Club

Golf Operations

Dallas, TX

Mar 2023 - Present

- Manage a 96-cart fleet and practice facility operations; serve as a forecaddie for private-club members and guests.

BUSINESS & TECHNOLOGY PROJECTS

NutriStack: Built and shipped an iOS supplement-tracking app to the App Store; designed a 24-hour radial interface, supplement interaction engine, and AI advisor.

Prediction Market Arbitrage: Engineered an automated AWS system streaming live prices from two prediction markets and testing cross-venue arbitrage under real fees, latency, and fill constraints.

LEADERSHIP

Texas A&M Golf Club (NCCGA)

Treasurer

Sep 2024 - Present

- Launched a club website and member platform, replacing season spreadsheets with online scoring, leaderboards, and scheduling.
- Organize team travel, including an NCCGA National Championship trip to New Mexico; source team equipment through a vendor partnership with 1WithGolf.

SKILLS

Finance & Business: Excel (financial modeling, pivot tables), portfolio construction, pricing and unit economics, bookkeeping, competitive analysis, market research.

Technology: Swift, SwiftUI; cloud deployment (AWS, Azure, Firebase, Railway); Microsoft Access, PowerPoint.
